## BUDGET MESSAGE 2020

December 10, 2019

Dear Board of County Commissioners:

This budget message is provided to the Conejos County Board of Commissioners and to the citizens of Conejos County.

It is hereby certified that the attached Conejos County Budget for Fiscal year 2020 is a true and accurate copy of the budgetary actions taken by the Conejos County Board of Commissioners, and it is further certified that;

The budget is based on a modified accrual basis, and that the enclosed budget represents a complete financial plan, anticipated revenues and all proposed expenditures for the following funds.

The financial conditions and the state of the economy condition of the Conejos County Government continues to be in a very critical financial situation. For the past 2 years it has become a challenge for Conejos County Government to maintain lucrative fund balances and continue to provide services to citizens as they have come accustomed to.

For the past 2 years the Conejos County has dipped into the General Fund balances to keep up with the increased expensed in all departments with the main focus on the Sheriff's Department, Jail and the Ambulance Service.

For 2019 the citizens of Conejos County continue to receive services without any increase on the revenue side. The Sheriff's department in 2018 and 2019 could not retain nor attract road deputies nor jail detention employees. The need to increase salaried was necessary to attract officers and jail detention employees. The road deputies and detention salaries were

increased substantially for 2020. There has been an increase in burglaries and the opioid epidemic that has engulfed Conejos County. The increase in court cases is devastating and has also put a tremendous hardship on the County.

Conejos County proposed a 2.75 county sales tax in November of 2019 that would have brought in approximately 1,000,000.00 depending on sales within Conejos County. The proposition failed to pass; therefore, leaving Conejos County in very critical situation for possibly the 2021 budget year. There will be some cuts and decreased to some services provided, such as the ambulance service, youth and senior programs and other non-profit organizations. For two years in a row there has been no COLA raises. The only exception were those necessary salary adjustment and salary increase due to the increase of the minimum wages. The health insurance saw an increase of 11.20% increase, since no increased the BOCC did increase the county share per employee by \$85.00 bringing that up from \$500.00 to \$585.00. The BOCC also will pay up to \$292.50 per employee that may drop the County Insurance and go on Medicare which will help with the census on our health insurance by dropping older employees from the plan. Older employees have the choice to go on Medicare or stay on county plan.

The Commissioners have always been supportive of other non-profit organizations, such as but not limited to, Senior Citizen Centers, youth programs, weed control and others. Funding will most likely not be available to them or drastically cut in 2020.

The following is a brief look at some major funds of Conejos County in 2020.

### **GENERAL FUND**

The general fund includes all proposed expenditures for the general operation of Conejos County. The proposed expenditures for the Office of County Commissioners, Administration, Planning and Zoning, County Attorney, County Clerk, County Treasurer, County Assessor, Sheriff and Jail are included.

Other Governmental offices anticipated expenditures included are: The District Attorney, Coroner, Ambulance Services, and Veterans, Extension Services as well as others.

The increase in PILT that we experienced approximately 9 years ago has helped in the funding the general operations of Conejos County. Congress has continued to keep our level of funding at approximately \$1,000,000.00 per year. All county departments were funded as needed.

Conejos County is very concerned with the increase of crime most of it due to the increase in substance abuse such as drugs and alcohol. Such increase is creating a challenge in the Sheriff's Department with a lack of sufficient staff and the fact that the sheriff has a very hard time finding qualified individuals that apply for these jobs, much of which has to do with the lower wages that Conejos County payed in comparison to other counties. In 2020 the wages for the deputies and detention officers have been increased and it is the hope of the sheriff that he will be able to attract employees.

### **PUBLIC WORKS**

The CCBOCC along with myself had strived to increase the fund balance in Public Works to remodel the existing courthouse; however, it became critical to repair the roof and the inside of jail due to bad design of the jail and poor construction when it was built, the repairs expenditures of over \$300,000.00 out of this fund and was expended in 2018-2019. There have been other unexpected emergencies in the jail that will be impacting the public works fund by up to 130,000.00 in 2020.

**ROAD AND BRIDGE** – The County experienced the same problem in the Road and Bridge department that was experienced in the Sheriff's department. The county is trying not to hire employees as long-time employees retire or others leave. The major change for 2020 and moving forward is that the CCBOCC is striving to incorporate all road and bridge employees to become familiar with the county as a whole. Instead of being classified district 1, 2 and 3 employees they will be considered Conejos County Road and Bridge employees and all will be moved around the county. CCBOCC continue to strive in upgrading road and bridge equipment and increasing the asphalt budget.

### **NURSING SERVICE – PUBLIC HEALTH DEPT**

Nursing Director, Samantha Escobedo has informed the CCBOCC that will be leaving as Director for the Conejos County Nursing Department effective

12/31/2019, again it will put a strain on the agency with hiring another director. Conejos County will be divesting of the OLTC program in July of 2020. The county has been dealing with the state mandate that since Options for Long-term Care (OLTC) and the Personal Care Provider Program are housed by the same agency, that it is now necessary to de-conflict one of the programs. The CCBOCC have made the decision to deconflict the OLTC program and now working with the time frame. services such as:

- Options for Long-term Care - which evaluates needs of clients and work with other agencies to keep them in their home.
- The PCP Program - provides a much used and necessary service to the elderly and disabled clients of Conejos County. The intention of the program is to provide personal and household services.

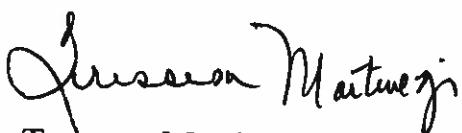

### **OTHER FUNDS**

Also included in the budget are the Pilt Fund; Conservation Trust Fund and Contingency Funds.

The 2020 preliminary budget was presented to the Board on October 15, 2019 and was available for public inspection. A notice of proposed budget was published in the Valley Courier on November 1<sup>st</sup>, 2<sup>nd</sup> and 5<sup>th</sup> 2019 informing the electors of the proposed budget. A public hearing was advertised and held on December 3<sup>rd</sup> 2019 as required by Colorado State Statute. There were a few citizens in attendance and budget was explained in detail.

On this date 2019 I presented to the Board of Commissioners for adoption and appropriations made for the year 2019 budget.

Respectfully Submitted,

Tressesa Martinez  
Administrator/Finance Officer

# **DEPARTMENT OF SOCIAL SERVICES**

TO: CONEJOS COUNTY BOARD OF COUNTY COMMISSIONERS  
FROM: NICHOLAS BARELA, DSS DIRECTOR  
DATE: 9/17/19  
RE: 2020 BUDGET

The 2020 Budget for the Department of Social Services as presented to you reflects an overall increase in allocation received as compared to Fiscal Year '19/18. Please take note of the table below which provides a comparison between Fiscal years. I have included our FY'20/19 Allocation letter as reference to this table.

Please also note the requested salaries for Conejos DSS staff for the next calendar year. This budget request anticipates a minimum of a 3% COLA for staff in addition to some salary adjustments for other staff within the CCDSS Department. This calendar year my primary focus is in on staff retention within CCDSS. Our CCDSS staff as part of their duties has a high amount of fiscal and client responsibility. In addition, they are also faced with the added pressures from ongoing state changes and audits. With that being said, I value my current staff and retaining them as employees will be a value to Conejos County for years to come. The current salaries of our eligibility and child welfare staff do not compete with those of our surrounding areas and I am worried that I will lose quality employees to other entities. I have broken down their new proposed salary to a level which I believe fairly captures their value. Allocations for all programs last FY were under budget and we should continue to capitalize on our state/county split that is available to us.

This fiscal and calendar year will present many challenges such as: implementation of the Family First Act, implementation of the Employment First Program, and continuing to make strides in our CW STEP program, summer youth program, and other community contracts. With new program changes such as the FFA it is difficult to anticipate significant changes to our expenditures.

It is possible that during Calendar Year 2020 that some of our CCDSS vehicles may be nearing their life expectancy. I am requesting to budget a total of \$50,000 for the purchase of a DSS vehicle should the need arise.

Our projected DSS fund balance for calendar year is \$ 921,599

Respectfully,

Nicholas Barela  
Conejos DSS Director
